

Yellow Rock Reserve Community Space Project

Steering Group

The Steering Group is made up of representatives for specific interest groups from the community. The Steering Groups purpose is to provide advice and direction to Council of the development of the Community Space Project at Yellow Rock Reserve. The Steering Group is expected to meet on approximately 5 occasions over the duration of the project to provide input at key milestones.

If you want to provide input into the development of the Community Space Project, you are welcome to do this through one of the members of the Steering Group. The contact details are provided below.
